

WORK OF THE SYNOD

The Ministers Oppose an Open Sunday

FOR THE GREAT WORLD'S FAIR

Routine Business Dispatched—List of the Ministerial Delegates With Their Residence.

But little business of general interest was transacted at yesterday's session of the National synod of the Holland Christian Reformed church. The spring street church was well filled with the ministerial conferees and elders representing churches throughout the country. New York state has next to Michigan the largest representation.

The proceedings of the synod are marked by great deliberation, and the participants manifest deep interest in the conduct of the affairs of the church. A large amount of routine business was transacted. The delegates were unanimous in deciding to submit a petition to the board of directors of the church, asking that the buildings be closed on Sunday. A committee was appointed to present a full report as to the advisability of forming a federative union between the Holland Christian Reformed church of America and the United Presbyterian church of America. The committee was instructed to report at the next meeting of the synod in 1934. A second committee was appointed to make the necessary arrangements for the preparation of a history of the church from its foundation to the present time. Under the head of matters of discipline the relation of bankrupts to the church was taken up and fully discussed. It was finally decided that all question as to whether or not bankrupts could become or remain members of the church should be left to the wisdom of the consistory within whose jurisdiction the case might occur.

DELAIED BY FALLEN TREES.

The Holland Aid Excursion Three Hours Late.

The excursion train which left this city yesterday morning bearing 300 people to Kalamazoo, under the auspices of the Holland Aid society, was last night delayed for three hours at the village of Carlisle, twelve miles south of this city on the G. E. & I. The train left Kalamazoo for the return home at 7 o'clock last evening and arrived at Carlisle at 9 p. m. Being a special train it was obliged to wait there for orders before going farther. Failing trees had torn down wires for some distance in both directions and it was not until midnight that orders were sent over the Michigan Central wires and the train could resume the trip.

It arrived here at 12:45. Although the excursionists were very tired they were good natured and the three hours delay at Carlisle was passed away in singing and a general good time.

FELL DOWN STAIRS.

Mr. Hansen Rendered Unconscious by a Fall.

Last evening W. H. Hansen, while going up stairs at his boarding place, No. 200 Mt. Vernon street, fell, striking his head on a coal stove that stood in the hall at the foot of the stairs. He was rendered unconscious, in which condition he remained at last reports. The ambulance was called and he was taken to St. Mark's hospital. Dr. Lupinski dressed the wound, and he was resting comfortably last night. He will probably recover.

The sale of tickets for the Oratorio concert will begin tomorrow morning at A. H. Morehead's music store.
